A NOTE FROM OUR EXECUTIVE DIRECTOR

**BRANDY
MUÑIZ**

Executive Director

Dear Friends,

As you leaf through these pages of the All Peoples Community Center 2024 Annual Report, you will see the joyful faces of our community. The carefree smiles of youth who find belonging in our programs. The warm embraces of adults receiving vital support. The quiet contentment of families and seniors who have received nutritious meals through our Food Program.

You will also see the faces of All Peoples staff. Our expressions hold pride, compassion, and deep care. Every moment captured in this report exists because someone showed up. Someone wrote a grant to keep our doors open. Someone created a curriculum rooted in child development and staff wellness. Someone packed and delivered groceries.

Someone sat with a neighbor and listened patiently, connecting them with the support they needed.

This year included some beautiful firsts, like our inaugural music festival where community members of all ages danced, laughed, and celebrated together. We also launched a new sports program, creating more opportunities for youth to grow. We experienced deep loss, including the passing of Geraldine Morgan and the conclusion of our beloved RSVP senior program. Still, through change and challenge, the spirit of All Peoples held strong.

Our FamilySource Program continued to serve as a lifeline for hundreds of families. Our food distribution efforts, continuously strengthened through our partnership with Angel City, worked each day to address hunger and poverty with dignity and consistency. This marked All Peoples 82nd year of service, a milestone made possible by the tireless commitment of our staff and the enduring partnership of supporters like you.

Your support carried us through this year and made it a success. Knowing that All Peoples is not alone gives us strength, and having friends and partners like you standing beside us fills us with hope. As you read this report, please remember that you are woven into every smile, every achievement, and every step we take forward. We are deeply grateful for your trust and for helping make 2024 a year of progress and impact. Enjoy exploring and celebrating our All Peoples story as captured within this report.

Sincerely,
Brandy Muñiz

A MESSAGE FROM OUR BOARD CHAIR

**PHREDA
DEVEREAUX**

Board Chair

Dear Esteemed Donors, Advisors, Community, and Government Partners,

On behalf of the Board of Directors, I extend my heartfelt gratitude for your unwavering commitment to All Peoples Community Center and to the vibrant communities we serve. Your generosity and leadership continue to inspire others to follow your example, strengthening our collective impact and deepening the reach of our mission.

As I complete my second and final year as Board Chair, I reflect with pride on the continued growth and resilience of this remarkable organization. For 83 years, All Peoples has served South Los Angeles—an extraordinary legacy built upon equity, dignity, and empowerment. It has been a profound honor to witness our evolution, innovation, and steadfast dedication to community through changing times.

This year, our community faced a host of new and compounding challenges: devastating job losses resulting from the recent Los Angeles area fires, intensified immigration enforcement, and critical reductions in federal funding for essential programs such as Medicaid, SNAP, and other safety net services. At the same time, All Peoples has navigated its own pressures—surging demand for services, reduced grant and donor funding, and growing administrative complexities. Yet, throughout these trials, the organization has remained

steadfast, responsive, and deeply grounded in its mission.

Throughout our long history, All Peoples has endured and adapted through economic downturns, political shifts, and cultural transformations. We have embraced technological advances and redefined our role time and again to remain relevant, effective, and community-driven. These challenges have tested us—but they have also strengthened us, shaping All Peoples into a more resilient, adaptive, and mission-centered organization.

Looking ahead, the Board—working closely with All Peoples' leadership and staff—has been carefully evaluating potential future scenarios and their possible impact on our organization and community. We are committed to proactive planning: envisioning and assessing a range of funding and policy outcomes, understanding their implications for our programs, staff, and mission, and developing thoughtful contingency plans to ensure continued stability and alignment with our values.

We remain deeply grateful to those whose vision and dedication laid the foundation for today's success. As always, we extend our heartfelt appreciation to retired Executive Director **Sandra Bryant (1983–2023)** for four decades of extraordinary service, and to the many former board members whose wisdom and guidance helped shape All Peoples into what it is today. I also want to acknowledge our current board members for their steadfast commitment. Most important, I want to express the Board's deep appreciation for **Executive Director Brandy Muñiz** and her exceptional team, whose passion, innovation, and dedication continue to strengthen and uplift South Los Angeles.

While 83 years is indeed a milestone worth celebrating, we recognize that our work is far from complete. Guided by a strong foundation, a spirit of resilience and innovation, and the collective strength of our partners, supporters, and community, we look toward the future with optimism and resolve. Together, we will continue to build a more just, healthy, and empowered South Los Angeles.

With gratitude and optimism,
Phreda Devereaux

MISSION STATEMENT

All Peoples Community Center's mission is to provide social services and programs that empower individuals and promote community, respect and self-determination for all.

OUR HISTORY

Founded in 1942, All Peoples has served as a true safe haven and trusted place for low-income children, youth, and families in South Los Angeles for 83 years.

Started prior to the Civil Rights Movement of the 1950's-60's, All Peoples was a revolutionary concept. As described in the organization's 2008 Strategic Plan: "All Peoples is a non-profit, non-sectarian community center located in the very spot where it was originally founded in 1942 -- in South Los Angeles. All Peoples has made incredible strides since it was first envisioned... as a place in the inner-city where people from all ethnicities, races, and religions could unite under one roof to share a vision for a stronger, more self-reliant community and to help turn the dreams of struggling local youth and adults into reality." At a time when de facto and de jure segregation were still an everyday reality in Los Angeles, the establishment of All Peoples, a multi-ethnic and multi-racial community center, was not just path-breaking, it was revolutionary. Launched by Pastor Dan Genung as a mission center of the Christian Church (Disciples of Christ), All Peoples evolved and was incorporated as a separate entity from the church in 1966. Originally called All Peoples Christian Center, the name was changed to All Peoples Community Center in 2012 to reflect the organization's non-sectarian service to a multicultural community.

Today, All Peoples provides comprehensive social and educational services to more than 6,600 people annually in its 20,000-square-foot center located in South LA's Vernon-Central neighborhood. Our flagship anti-poverty program, the FamilySource Center implements the evidence-based TwoGeneration model to move families out of poverty by simultaneously addressing youth academic achievement and family economic stability.

A STAFF THAT REFLECTS AND UNDERSTANDS OUR COMMUNITY

All Peoples takes pride in our homegrown, diverse team that mirrors the neighborhood we serve. Our staff is 100% BIPOC, with 89% Latinx, 9% African American, and 2% Multi-Racial representation. With 87% of our team bilingual in Spanish and English, 62% residing in South LA, and 43% former All Peoples participants or interns, we bring authentic lived experience to our work. Our deep community roots strengthen our ability to create meaningful impact where it matters most.

As social workers, we bring more than change, we bring hope. We listen to those who haven't been heard, support those who feel invisible, and remind everyone that no one is ever truly alone. Even the smallest actions we take can create ripples, leading to a greater impact than we imagine.

One of my favorite quotes says it best: 'Not all of us can do great things. But we can do small things with great love.' – Mother Teresa. These words show us that kindness, no matter how small, can make a big difference.

Working for All Peoples Community Center has been an incredibly rewarding experience, as it allows me to directly engage with the people and issues that matter most to me. It's an opportunity to give back to the place that has shaped me, whether through volunteering, organizing local events, or simply helping youth. There's a unique sense of fulfillment that comes from knowing that my efforts are making a real difference in the lives of those around me.

THE COMMUNITY WE SERVE

All Peoples serves over 6,600 low-income youth, adults, and seniors annually in South LA's Vernon-Central neighborhood (zip code 90011). This community faces some of the most severe socioeconomic challenges in the nation:

27.5% Of families live below the federal poverty level.

SOCIOECONOMIC CHALLENGES

- * The median family income is just \$47,126.
- * 55.2% of adults 25 and older lack a high school diploma or equivalent.
- * All students in local schools qualify for free and reduced-cost lunches.
- * Nine Title 1 LAUSD high schools in our service area are designated "red" or "orange" performance on state indicators.
- * The Los Angeles Police Department has identified 25 active gangs in our neighborhood.

44% Food insecurity among low-income households in LA County reached 44% in July 2023—the highest percentage in 10 years.

HEALTH DISPARITIES

- * Over 25% of South Los Angeles residents are diabetic.
- * Over 58% of residents suffer from hypertension.

OUR INTEGRATED APPROACH

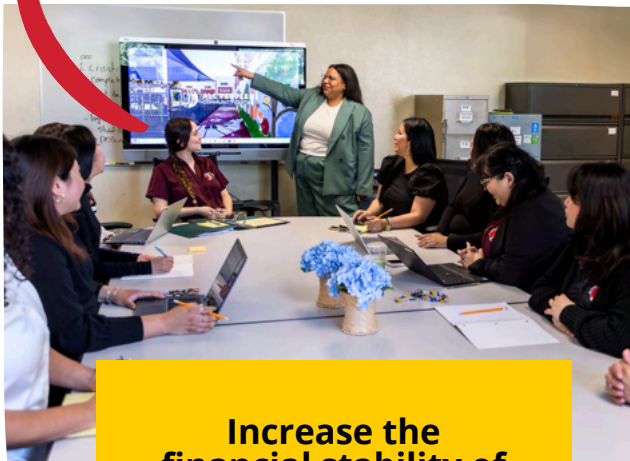

All Peoples provides coordinated services under one roof to:

Support youth academic achievement.

Promote healthy lifestyles through sports and exercise.

Increase the financial stability of families.

Provide access to nutritious food through our food programs and community garden.

COMMUNITY OUTREACH

All Peoples deploys Outreach Workers throughout South Los Angeles to attend resource fairs, providing vital information and connecting youth and families with essential services. Our community is predominantly Latinx (89.9%) and Black (8.3%), with approximately 80% of residents speaking Spanish at home. Reflecting these demographics, All Peoples welcomes all residents while primarily serving low-income Latino families. Our internal data shows that 85% of individuals we serve are Latinx, 11% are Black, 1% are White, 1% are Multiracial, and 2% are unknown. 100% are low-income.

EMPOWERING SOUTH LOS ANGELES THROUGH YOUR GIVING

All Peoples Community Center gratefully acknowledges our corporate sponsors, foundation grants, and individual donors whose generous support enables us to provide vital services to the South Los Angeles community.

FINANCIAL OVERVIEW

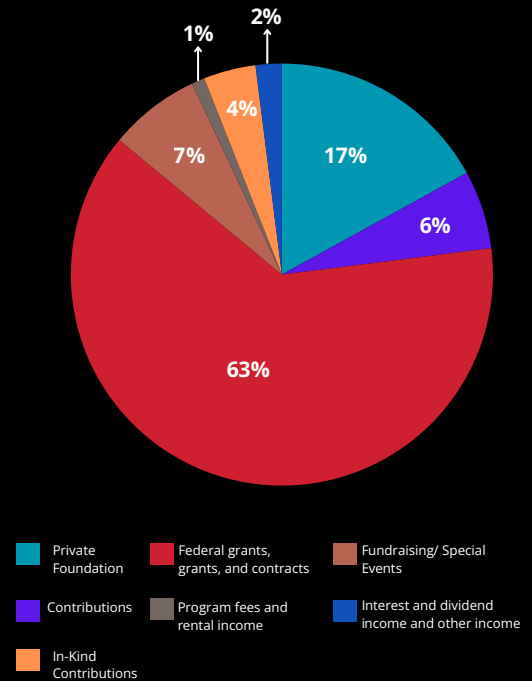

The All Peoples Board of Directors diligently oversees the organization's fiscal health, with the Finance Committee reporting at every bi-monthly Board meeting. The Board officers annually review comprehensive financial reports, including our endowment and trust funds. Additionally, an independent external audit is conducted each year. All Peoples maintains organizational strength through diversified revenue sources, including:

- * Individual donors
- * Annual fundraising gala
- * Rental income from partner organizations
- * Government grants and subcontracts
- * Private grants from foundations and corporations

EXPANDING EDUCATIONAL OPPORTUNITIES

The FamilySource College Corner has continued its mission of promoting college access and supporting higher education aspirations throughout the year. Through comprehensive workshops, campus tours, and scholarship opportunities, the program has empowered youth and families with the knowledge and resources needed for post-secondary success.

FAMILYSOURCE COLLEGE CORNER

POST-SECONDARY WORKSHOP SERIES

Our signature 5-week workshop series has been instrumental in preparing students and families for higher education journeys. Led by LAUSD PSA Evelyn Flores and FamilySource College Corner staff, these workshops covered essential topics:

1. **Understanding the 4 Systems of Higher Education**
2. **Getting Started on Your College Journey**
3. **Navigating Financial Aid and FAFSA**
4. **Interpreting Your Award Letter**
5. **Supporting Your Child's Academic Success**

The workshops provided practical guidance on navigating college applications, understanding financial aid options, and developing skills for academic success. Participants benefited from expert advice and resources designed to make higher education more accessible.

COLLEGE CAMPUS TOURS

Campus tours offered students firsthand experiences of college environments. College Ambassadors led successful tours to several institutions including:

- **University of Redlands**
- **East Los Angeles College**
- **Loyola Marymount University**

During these visits, students learned about campus histories, admission requirements, and available resources. At the University of Redlands tour, a financial aid representative conducted an informative workshop highlighting the university's various student support programs, and participants enjoyed free time to explore the campus.

GERALDINE MORGAN SCHOLARSHIP FUND

This year, we proudly awarded four outstanding students with the Geraldine Morgan \$1,000 Scholarship:

- * **Araxie Licona:** Accepted to University of California, San Diego (Neurobiology)
- * **Juan Arana:** Accepted to University of California, Merced (Mechanical Engineering)
- * **Litzy Cabrera:** Accepted to California State University, Los Angeles (Criminology and Public Health)
- * **Sara Cabrera:** Accepted to California State University, Dominguez Hills (Business)

These recipients distinguished themselves through their dedication to academic excellence, reliability, and commitment to helping others through our tutoring program. We are confident they will continue to achieve great things in their academic and professional careers.

REMEMBERING GERALDINE "GERRI" MORGAN

It is with deep sadness that we note the passing of Geraldine "Gerri" Morgan on May 23, 2024, at the age of 104. A member of All Peoples for more than seventy years, Gerri started what became known as the country store, where she would sell baked goods and secondhand items to support Camp Joe Ide.

In April 2019, All Peoples created the Geraldine Morgan Scholarship Fund in honor of Gerri's 99th birthday. This fund continues to assist young people who participate in the College Corner and Tomorrow's Leaders programs, providing a minimum of four \$1,000 scholarships annually. The Geraldine Morgan Scholarship Fund will continue in honor of her commitment to our youth and to celebrate Gerri's truly remarkable life and generous spirit.

HOLIDAY JOY AND COMMUNITY GENEROSITY

WALMART BRINGS CHRISTMAS CHEER WITH BIKE DONATION

The holiday season shone especially bright at All Peoples this December, thanks to the extraordinary generosity of our community partners. On December 12, Hal Halmon and Walmart brought an unforgettable Christmas surprise to our youth—a brand-new bike for every child! All Peoples' youth, families, staff, and board members are deeply grateful to Walmart for their incredible donation of 200 bikes.

The celebration extended far beyond the bikes themselves. Our youth and their families enjoyed a festive evening filled with carnival games, face painting, arts & crafts, and special photo opportunities with Santa. We extend our heartfelt thanks to both Walmart and Frito Lay for creating such a magical night that brought smiles and joy to so many in our community.

ANNUAL CHRISTMAS TOY GIVEAWAY

Just one day earlier, excitement filled the air at All Peoples' Annual Christmas Toy Giveaway on December 11. Our cherished and longtime sponsor Mike Wells once again donned his Santa suit, bringing joy to children's faces as he personally distributed gifts. Thanks to Mike's generosity and support from Northrop Grumman, 65 youth received carefully selected, personalized presents that made their holiday wishes come true.

The impact of Mike Wells' contributions to South Los Angeles was further recognized when Councilmember Curren Price presented him with a Certificate of Recognition during the event. This acknowledgment highlights the significant difference that dedicated community partners can make in the lives of our youth.

We extend special thanks to Mike Wells and our sponsor Northrop Grumman for continuing to make magical moments possible for our young community members. Your commitment to brightening children's lives during the holiday season means the world to us.

COMMUNITY PARTNERSHIPS: MAKING A DIFFERENCE

ANGEL CITY FC TEAMING UP FOR YOUTH SUCCESS

Angel City FC Home Game Opener

All Peoples staff and families attended Angel City Football Club's (ACFC) season opener on March 17, which also featured DoorDash's Title Night celebration! In partnership with DoorDash, ACFC provided 25 tickets for the season opener for our staff and families.

A video of All Peoples Executive Director Brandy Muñiz was shown and she was recognized on the field during halftime. The video highlighted our Food Security Program, which is made possible through our partnership with ACFC and DoorDash. DoorDash, in partnership with ACFC, is donating 1,000 meals to All Peoples for every goal that ACFC scores this season. Meals will be distributed through All Peoples' Food Security Department.

Youth Savings Group

In partnership with Angel City Football Club (ACFC), All Peoples hosted a Youth Financial Literacy Program that offers youth the opportunity to learn about managing and saving their money.

The 20-week workshop included topics such as basic budgeting, understanding credit reports, the do's and don'ts of credit card usage, credit monitoring apps, identity theft protection, consumer's rights and protection, investing in stocks, among other financial subjects.

30 students collectively saved \$3,000 during the workshop. Through the 2 to 1 match offered by ACFC and All Peoples, youth were able to save a total of \$9,000.

We thank ACFC and DoorDash for their continued support!

EVELYN FLORES

LAUSD PSA

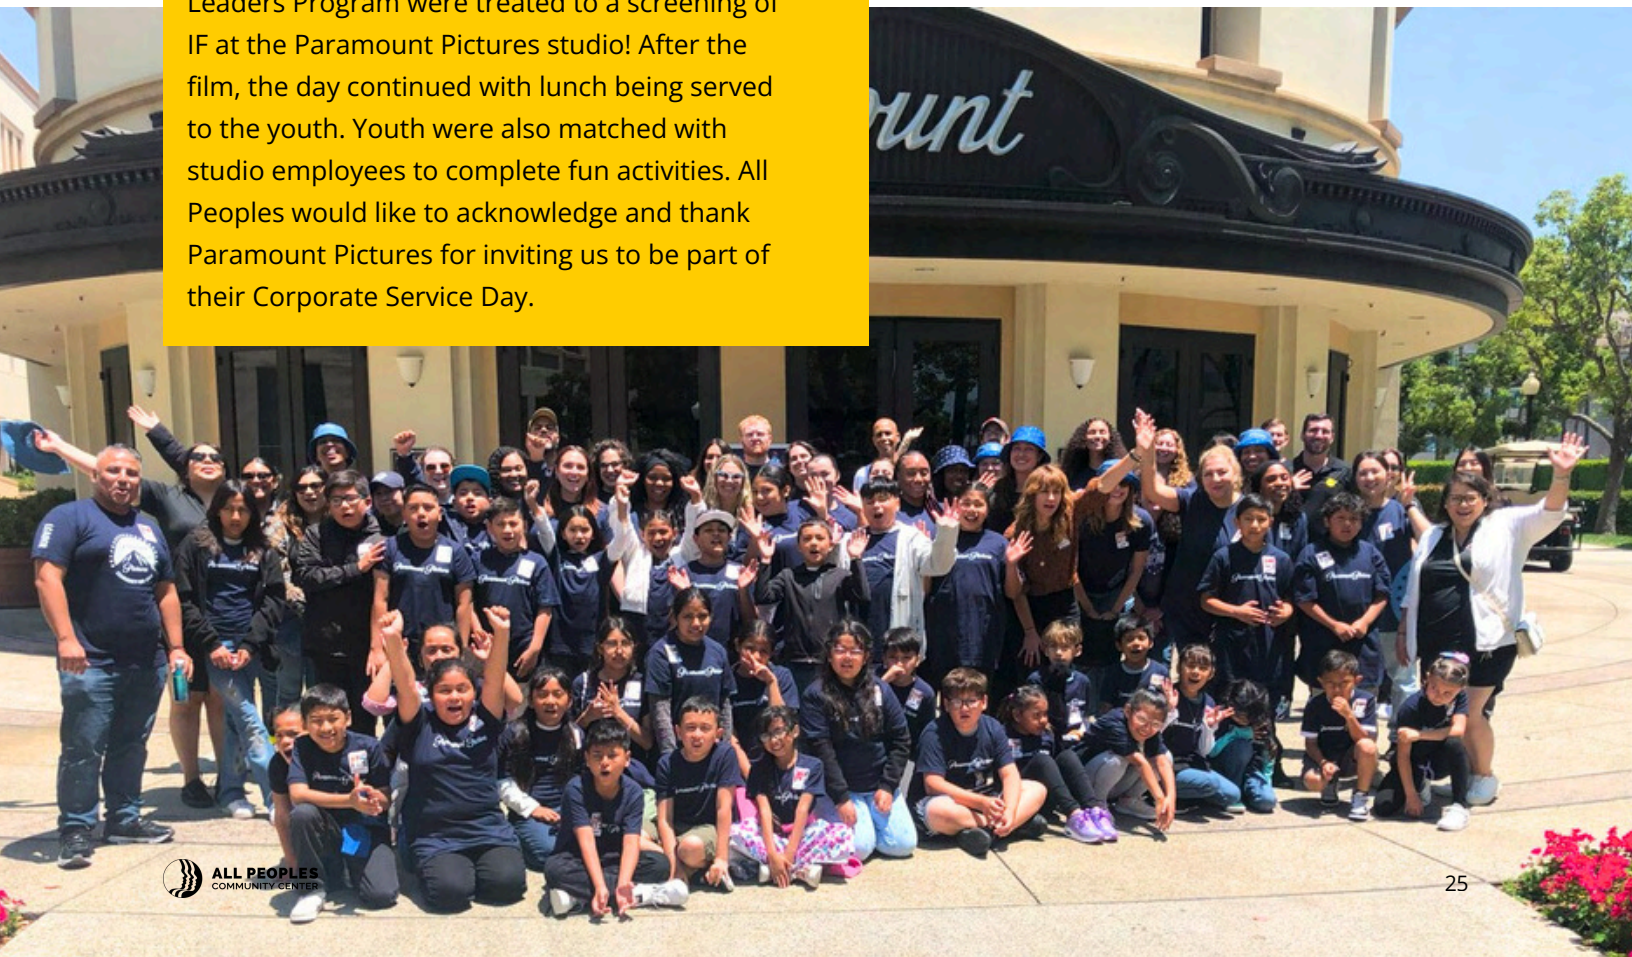

MEET EVELYN FLORES: LAUSD BRIDGING EDUCATION AND COMMUNITY

Evelyn Flores is the LAUSD Pupil Services and Attendance Counselor (PSA) at our FamilySource Center. She joined our team in summer 2023, as part of the FamilySource Partnership Program (FSPP), a collaboration between the City of Los Angeles Community Investment for Families Department (CIFD) and Los Angeles Unified School District (LAUSD).

Evelyn conducts socio-emotional and academic assessments that help link students and families to community and district resources to achieve academic and attendance success and promote college readiness. Additionally, she hosts a series of workshops to support and empower both student and parent engagement. Finally, she bridges resources from community organizations, the FamilySource Centers and the school district to support families.

PARAMOUNT PICTURES GIVING BACK

45 Youth from our After-School Tomorrow's Leaders Program were treated to a screening of IF at the Paramount Pictures studio! After the film, the day continued with lunch being served to the youth. Youth were also matched with studio employees to complete fun activities. All Peoples would like to acknowledge and thank Paramount Pictures for inviting us to be part of their Corporate Service Day.

SUMMER PROGRAMS THAT INSPIRE

URBAN ADVENTURES SUMMER DAY CAMP

From June 17 to July 19, All Peoples Community Center hosted the Urban Adventures Summer Day Camp, serving 100 low-income youth from South Los Angeles in grades 2-12. The program successfully addressed summer learning loss through its dual focus on academics and enrichment.

Each day began with academic assistance to reinforce school-year learning, followed by engaging activities including sports, arts, and hands-on science experiments. Weekly Friday field trips to destinations like the L.A. Zoo and Soak City transformed these outings into valuable learning experiences beyond the classroom.

The program also empowered 30 youth aged 14-24 who participated as Counselors in Training. These young leaders developed crucial

professional skills while serving as positive role models for younger participants. Through this comprehensive approach, Urban Adventures helped students maintain academic momentum while preparing them for future college and career success.

CAMP JOE IDE

From August 3 to August 8, All Peoples hosted Camp Joe Ide at the Loch Leven Camp and Conference Center in the San Bernardino Mountains. This American Camp Association-accredited program focused on holistic development—social, psychological, and physical—for 60 campers ages 8-12.

The camp was supported by 8 Counselors in Training (CITs), 11 dedicated volunteers, and 11 staff members who facilitated a diverse range of activities. Participants enjoyed swimming, archery, arts and crafts, hiking, and team

building exercises designed to encourage new physical skills, creative expression, and active group participation.

Camp Joe Ide created a nurturing environment where children could develop new abilities, engage in creative projects, and build meaningful relationships through collaborative activities.

SUMMER YOUTH EMPLOYMENT PROGRAM

In partnership with the City of Los Angeles Economic Workforce Development Department, All Peoples coordinated the Summer Youth Employment Program (SYEP), providing valuable paid work experience for 57 youth from disadvantaged backgrounds.

This comprehensive initiative offered participants a full spectrum of support services, including thorough intake assessments,

orientations, career planning guidance, financial education, and job placements. Each participant completed 120 hours of compensated work experience training, supplemented by Financial Literacy Workshops and Personal Enrichment Training sessions.

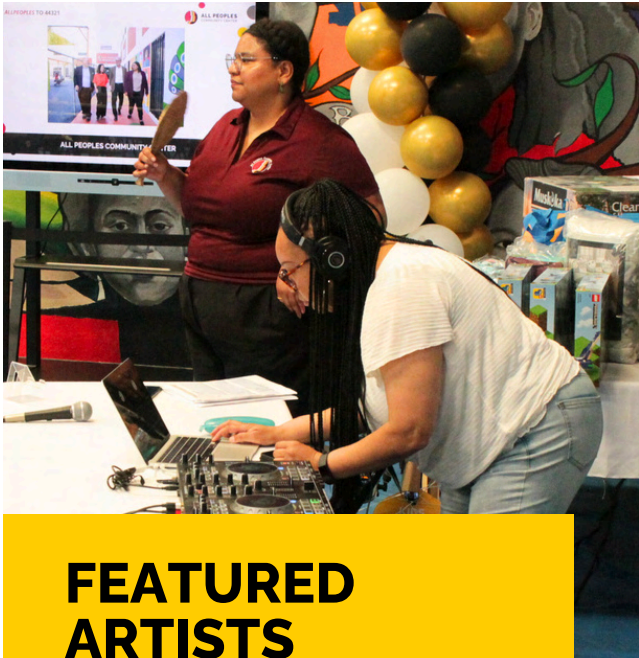

The SYEP program represents All Peoples' ongoing commitment to creating pathways to economic opportunity and professional development for young people in our community.

A CELEBRATION OF COMMUNITY AND CULTURE

The overwhelming success of All Peoples' first-ever music festival has established what we hope will become an annual tradition for the All Peoples community. By bringing together diverse musical expressions, local talent, and community members of all ages, the festival embodied our mission of building connections through cultural celebration.

THE SOUNDS OF SOUTH L.A. MUSIC FESTIVAL

FEATURED ARTISTS

- **Crimson Hood**
- **DJ Moniquea**
- **DJ Roy**
- **DJ Srija**
- **Elementos del Sur**
- **Youth of Tomorrow**

In a vibrant display of community spirit and local talent, All Peoples proudly hosted its inaugural The Sounds of South L.A. Music Festival on June 22. This free event brought together diverse musical acts that represent the rich cultural tapestry of Los Angeles.

The festival transformed our center into a hub of creativity and celebration, featuring seven local musical artists who generously volunteered their time and talents. Community members of all ages were treated to an eclectic lineup that included a Motown Tribute (specially selected by our senior members), energetic DJ sets, rock performances, traditional cumbias, banda music, and a heartfelt Selena Tribute.

Adding a visual dimension to the musical experience, our resident muralist Duke created a stunning performance art piece live on stage during the festivities. Meanwhile, M.E.J.O.R. provided delicious food options, with proceeds supporting our Denton Roberts Family Camp initiative.

Community Support

Events like The Sounds of South L.A. Music Festival are only possible through the generous support of our community partners. We extend our heartfelt gratitude to our sponsors.

Gold Sponsors:

- **Universal Community Health Center**
- **Marquez Meat Market**
- **South Central Neighborhood Council**

Silver Sponsors:

- **ASE Industries**
- **Walmart**

Bronze Sponsor:

- **Alpha Real Estate Group**

Mark your calendars! We look forward to welcoming you to the next Sounds of L.A. Music Festival, where we'll continue to celebrate the unique sounds and spirit of our vibrant Los Angeles community.

CARECEN PARTNERSHIP

EXPANDING IMMIGRATION SERVICES

All Peoples is proud to report significant achievements through our partnership with the Central American Resource Center (CARECEN) during the 2024 FamilySource Program Year. This collaboration has allowed us to provide vital immigration services to our South LA community with remarkable results.

WORKSHOP SERIES

Throughout the year, All Peoples and CARECEN hosted specialized workshops addressing various immigration needs:

U-Visa Workshop

Our informative workshop on U-Visas explained this special nonimmigrant status designed to protect individuals who have endured mental or physical abuse as victims of specific crimes, and who cooperate with law enforcement or government officials during criminal investigations or prosecutions.

Citizenship Workshop

We provided guidance on the naturalization process, helping community members understand eligibility requirements, application procedures, and resources available to support their path to citizenship.

Family-Based Petitions Workshop

On February 21, we hosted a workshop discussing ways that community members can petition for certain family members, relatives – or future relatives such as a fiancé(e), or a

OUR RESULTS:

- **120** individuals received Immigration Legal Consultations.
- **6** individuals were assisted with Citizenship applications.
- **35** community members secured their right to work.
- **6** Community Legal/Immigration workshops were conducted.
- **3** Staff Legal/Immigration training sessions were completed.

prospective adopted child – to immigrate to the United States.

Asylum Workshop

This educational session provided critical legal information to family members of asylum seekers, helping them navigate the complex asylum process.

Immigration Relief Options Workshop

Our comprehensive workshop explored various pathways to legal status, with CARECEN representatives offering insights on eligibility criteria and application procedures. The final workshop for this fiscal year was held on June 12, focusing on Immigration Relief Options.

FINANCIAL LITERACY INITIATIVES TRANSFORM LIVES

COMPREHENSIVE FINANCIAL EDUCATION SERIES

Throughout the year, All Peoples partnered with Haven Neighborhood Services to offer a diverse financial education curriculum addressing critical needs.

- **Preventing Identity Theft Workshop:** Our final financial literacy workshop of the fiscal year equipped participants with strategies to protect their personal information.
- **Managing Debt Workshop:** Fifteen community members learned effective debt consolidation strategies, with opportunities for free one-on-one consultations following the session.
- **Credit Report and Scores Workshop:** Participants gained valuable insights into understanding and improving their credit.
- **First-Time Homebuyer Workshops:** From basics to certification, these popular sessions drew thirty-three community members eager to learn about the home buying process, qualification requirements, financing options, and preparation for homeownership. Our comprehensive 6-hour certification workshop included presentations from escrow title companies and appraisers, and reviewed purchase assistance programs for low-to-moderate income families.
- **Tax Principles 101 Workshop:** Twenty-eight community members attended this January event to learn about CalEITC, Federal EITC, Child Tax Credit, Education Credits, and ITIN information.

FREE VITA TAX SERVICES DELIVER SUBSTANTIAL RETURNS

\$761,708

Our Volunteer Income Tax Assistance (VITA) program continues to create significant financial impact for our community. From February through April 2024, All Peoples helped community members obtain **\$761,708 in refunds through 417 Federal and State Tax Returns!**

For the 2025 tax season, free tax services were available from January through May 2025 for taxpayers earning \$68,000 or less who file with either a Social Security Number or ITIN.

All Peoples is now an ITIN acceptance agent, expanding our ability to serve community members by helping with ITIN applications and connecting families with important tax benefits like the Child Tax Credit.

SANTA'S FINANCIAL WORKSHOP: HOLIDAY CHEER MEETS FINANCIAL WISDOM

On December 11, our FamilySource Center transformed holiday spirit into financial empowerment through **Santa's Financial Workshop**. Led by FSC Financial Coach Tabita Escobar Pepin, this festive session offered practical approaches to holiday budgeting while keeping long-term financial wellness in focus.

More than just tips, the workshop created a supportive environment where community members shared their financial goals and challenges. Participants left equipped with tools for both holiday spending and sustained financial health.

Special thanks to **AEG** for their generous donation of tickets that allowed three families of five to enjoy ice skating and a screening of Moana at L.A. Live—a wonderful incentive for workshop participation.

PATHWAYS TOWARD ECONOMIC STABILITY AND SELF-SUFFICIENCY

Through these targeted financial literacy initiatives, All Peoples continues to build pathways toward economic stability and self-sufficiency for South Los Angeles families.

FOOD SECURITY PROGRAM

THREE VITAL PROGRAMS

The All Peoples Food Security Department continues to address food insecurity through three vital programs that serve our community's diverse needs:

Supplemental Food Program (SFP) provides fresh fruits, vegetables, lean meats, protein, and other essential resources to 2,000 unduplicated residents weekly.

The Senior Food Delivery Program delivers nutritious groceries bi-weekly to 324 seniors ages 55 and over, ensuring our elderly community members have reliable access to healthy food.

Corazón de la Gente (Heart of the People) Community Farm, our 6,000 sq.ft. urban farm operated in partnership with American Friends Service Committee, features 22 raised beds

where families grow their own produce. One dedicated bed serves our Roots for Peace youth program, introducing the next generation to sustainable food practices.

OUR RESULTS:

- **2,000** unduplicated residents served weekly.
- **324** seniors served with bi-weekly grocery deliveries
- **22** raised family garden beds
- **90%** of participants reported an increased consumption of fresh fruits and vegetables

TWO MILLION MEALS MILESTONE

In a landmark achievement for community food security, All Peoples Community Center, in partnership with Angel City FC (ACFC) and DoorDash, has proudly contributed to providing 2 MILLION MEALS to our community!

As part of this ongoing initiative, DoorDash donates 1,000 meals to All Peoples for each goal scored by ACFC during their season. These donations directly support our Food Security Department's distribution efforts, helping us reach more families in need.

To commemorate this extraordinary milestone, our Food Security Manager Capri Downs, received special recognition during halftime at ACFC's final home game on October 20.

We extend our deepest gratitude to ACFC and DoorDash for their unwavering commitment to combating food insecurity in our community.

THANKSGIVING COMMUNITY DINNER

Our Annual Thanksgiving Community Dinner exemplified the spirit of giving and community connection. On November 20, All Peoples served warm, delicious meals to more than 1,040 neighbors and distributed 280 turkeys to local families, ensuring festive holiday celebrations.

This heartwarming event was made possible through the generous support of our sponsors, Angel City Football Club and South Central Neighborhood Council, along with an exceptional team of volunteers including:

- DoorDash
- E-Central Credit Union
- Health Leads USA
- Integrated Recovery Network
- LAUSD
- Los Angeles Host Lions Club

CORAZÓN DE LA GENTE: CULTIVATING COMMUNITY

Collective Garden Workdays

In 2024, All Peoples' Corazón de la Gente Community Farm joined forces with RootDown LA to establish monthly collective garden workdays, fostering community involvement and sustainable urban agriculture.

The first collaborative workday took place on January 27 at Carver Middle School, where 50 volunteers assisted with garden projects and participated in an introductory meditation, concluding with RootDown LA's nutritious veggie-loaded chili. February 17 marked our first on-site collective garden workday at Corazón de la Gente. Community members worked together to repair and guide passion fruit vines on our altar, creating future shade for garden classes, nutrition workshops, and youth summer camp activities. Families brought children to plant in the "caja de niños" (kids' garden bed).

This successful event benefited from the expertise of Rootdown LA's garden team, Andres and Carlos, along with Ericka from LA Compost, who assisted with pruning, composting, and general maintenance. We express our appreciation to Crystal Gonzalez and American Friends Service Committee for providing lunch, and to all volunteers who dedicate one Saturday every month to maintaining our community farm.

COMMUNITY WORKSHOPS

Crochet 101 Workshop

Margarita Garcia, an active member of our Corazon de la Gente community garden, hosted a successful Crochet 101 Workshop attended by

23 participants. Under Margarita's guidance, attendees learned fundamental crocheting techniques and patterns, creating heart designs that symbolized the heart of our garden. The morning was filled with creativity, relaxation, and camaraderie, concluding with gifts of Ruda (Rue), a valued medicinal plant. During the workshop, Summer Youth Employment Program (SYEP) participant Orlando, alongside youth volunteer Gabriel, engaged younger children in a complementary planting activity.

Essential Oil Workshop

Our community values the medicinal properties of herbs, reflected in the garden's dedicated area for native medicinal plants. Blanca Lucio, an active garden member, led an Essential Oil Workshop for 32 community members, demonstrating how to transform garden-grown herbs into beneficial oils for external use. Participants learned about three herbs from our garden—rosemary, lavender, and various flowers—and their therapeutic applications for hair care, brow and lash maintenance, and joint discomfort relief. Each attendee created two oils to take home. While adults explored the benefits of essential oils, community member Brenda conducted a parallel painting activity where children decorated a kids kitchen set, ensuring engagement across all age groups.

MESH SPRING HEALTH FAIR

All Peoples, in collaboration with UCLA students from Medical Experience through Service in Healthcare (MESH), hosted a comprehensive Spring Health Fair for the community. MESH provided valuable education on nutrition, hypertension, and diabetes, along with free vision and blood pressure screenings. The successful event served 147 families, furthering our commitment to holistic community wellness.

CULTIVATING CONNECTION THROUGH SHARED PURPOSE

At All Peoples, we believe that the strongest communities are built through collective action, shared knowledge, and the simple act of working side by side. We create spaces where neighbors become family and traditional wisdom meets modern needs.

RETIRED AND SENIOR VOLUNTEER PROGRAM (RSVP)

FOUR DECADES OF SERVICE

A Legacy of Dedication and Impact

For over 80 years, All Peoples Community Center has been a pillar of support for low-income individuals, families, youth, and older adults throughout South and Southeast Los Angeles. Among our most impactful initiatives has been the **Retired and Senior Volunteer Program (RSVP)**, a program of AmeriCorps Seniors hosted by All Peoples for more than 40 years.

RSVP has exemplified the power of community service by recruiting adults 55 years and older and connecting them with local non-profit organizations on the frontlines of addressing critical community needs. At its height, RSVP maintained over 200 active senior volunteers annually, contributing an impressive 28,085 hours of service each year across 16 South LA nonprofits and public agencies.

These dedicated volunteers served in diverse capacities: as academic tutors, food distribution workers, income tax preparers, student mentors, emergency preparedness educators, and gang prevention specialists. Their collective

efforts dramatically extended our reach, allowing us to touch more lives throughout our service areas.

Resilience During the Pandemic

When COVID-19 struck, our volunteer program faced unprecedented challenges. While many volunteer stations had to suspend activities, several RSVP volunteers demonstrated remarkable resilience and adaptability. We quickly implemented "Safer-at-Home" volunteer opportunities that allowed seniors to continue making vital contributions. Volunteers conducted wellness checks via telephone and video chats to identify potential victims of elder abuse, neglect, and exploitation. They assisted homebound seniors in accessing virtual activities and made follow-up calls to families seeking COVID-19 relief.

Perhaps most crucially, a dedicated group of RSVP volunteers maintained in-person service to support All Peoples' COVID-19 Emergency Food Distribution efforts, ensuring thousands of food-insecure families received essential groceries.

Throughout this challenging period, we maintained strict compliance with city-mandated health guidelines.

The Power of Reciprocity

One of RSVP's greatest strengths was its "rule of reciprocity" recruitment model. Many of our volunteers were former clients of All Peoples who had utilized our programming and resources, then chose to "pay it back" by volunteering their time and talents. This approach helped us recruit volunteers directly from the communities we serve, strengthening local connections and understanding. Beyond recruitment, we recognized that meaningful volunteer engagement creates mutual benefits. Research consistently shows that purposeful volunteering for older adults is associated with reduced depression symptoms, better self-reported health, fewer functional limitations, and lower mortality rates. Our RSVP volunteers did not just help others—they improved their own well-being in the process.

A Bittersweet Transition and Continued Service

It is with mixed emotions that we report the conclusion of the RSVP program at All Peoples Community Center as of March 31, 2024. This difficult decision was necessitated by financial limitations. As Executive Director Brandy Muñiz noted in her February 2024 letter: "The legacy of RSVP, its profound impact, and the unwavering dedication of all involved resonate deeply within our community. My heartfelt gratitude extends to every volunteer and partner site that generously contributed their time and services to the RSVP program."

While the formal RSVP program has concluded, we are pleased to report that many senior volunteers have transitioned to the All Peoples Volunteer Program, where they continue to offer their valuable time and expertise. A significant number now serve in the All Peoples Supplemental Food Program and Senior Food Delivery Program, ensuring that vulnerable community members maintain access to essential nutrition. The experience and dedication of these senior volunteers remain invaluable assets to our food security initiatives.

HONORING RSVP LEADERSHIP

We extend special recognition to the visionary RSVP Directors who shaped the program throughout its history:

- **Geraldine Roberts**, the founding director who laid the foundation
- **Mary Reynolds**, who continued with unwavering dedication
- **Grace Kim**, who served several years following Mary's retirement
- **Teresa Yamamisaka**, who contributed 28 years to building the program
- **Dale Evans, MSG**, the final director who revitalized the program after the pandemic hiatus

While RSVP has concluded, All Peoples remains committed to our senior community members. We are determined to continue and strengthen our programming for older adults in South and Southeast Los Angeles, as evidenced by the seamless transition of many volunteers to our ongoing programs.

As we close this chapter of RSVP's remarkable history at All Peoples, we celebrate how its spirit lives on through our senior volunteers who continue to serve in the All Peoples Volunteer Program. The thousands of volunteer hours contributed, lives touched, and relationships formed over four decades have left an indelible mark on South and Southeast Los Angeles—a legacy that continues to thrive through our ongoing food security programs and other essential services. The commitment of our senior volunteers remains a powerful testament to the enduring impact of community engagement and service.

A photograph of a diverse group of people at a formal event, likely a gala. In the foreground, a woman with dark hair is smiling broadly and clapping her hands. Behind her, a man in a dark suit and a woman in a floral dress are also clapping and looking towards the right. The background shows other attendees in formal wear, some blurred, against a dark, paneled wall. The overall atmosphere is celebratory and joyful.

A NIGHT OF CELEBRATION AND COMMUNITY SUPPORT

With over 240 attendees, All Peoples Community Center's 82nd Anniversary Gala showcased the deep community connections and enduring impact of our organization in South Los Angeles.

82ND ANNIVERSARY GALA

The All Peoples Community Center's 82nd Anniversary Gala proved to be an extraordinary evening of celebration, recognition, and generous support. With over 240 attendees, the event showcased the deep community connections and enduring impact of our organization in South Los Angeles.

Mayor Karen Bass opened the evening with powerful remarks: "It's a true honor to celebrate the 82nd Anniversary of All Peoples Community Center. For over 8 decades, All Peoples has been a pillar of hope and empowerment for low-income children, youth and families in South LA. Serving more than 6,600 individuals annually, All Peoples offers vital social and educational services that strengthen families, support community development, and break the cycle of poverty."

The gala raised an impressive **\$166,604**—funds that will directly support our ongoing programs and services for our Historic South Central neighborhood. This remarkable achievement reflects the dedication of our supporters and their belief in our mission.

TOYOTA'S EXTRAORDINARY GIFT

In a remarkable display of corporate citizenship, Diana Davis, General Manager for the Toyota Los Angeles Region, presented All Peoples Community Center with a 2022 Toyota Sienna. This generous donation will significantly enhance our ability to serve our community, providing crucial transportation for program participants and expanding our outreach capabilities.

The gift exemplifies Toyota's ongoing commitment to supporting local communities and creating meaningful impact where it's needed most.

PARTNER HIGHLIGHT:

NBA PEER LEARNING WELLNESS GROUP

National Benevolent Association's Young Adult Social Services (YASS) Peer Learning Wellness Group (PLWG) volunteered at the Center on Saturday, February 24.

Group members provided valuable assistance with:

- Food distribution
- Food pantry deep cleaning/ organization of food pantry & kitchen fridge items
- Organization of clothing & toy donations
- ADA garden bed preparation

NBA's Peer Learning and Wellness groups offer transformative space for support, connection, accompaniment, and wellness to all prophetic Disciples' leaders. One group at a time, NBA is creating an antidote to ministry isolation and a balm to loneliness in leadership.

All Peoples extends sincere gratitude to NBA for their dedicated service to our community.

PARTNER HIGHLIGHT: BABY2BABY

BABY2BABY PARTNER APPRECIATION EVENT

Baby2Baby Partner Appreciation Event
On August 26, All Peoples joined Baby2Baby for their Partner Appreciation Event at the organization's Los Angeles distribution center. The gathering offered attendees a chance to enjoy lunch while connecting with fellow local organizations and members of the Baby2Baby team.

In recognition of their collaborative efforts and commitment to community service, All Peoples received a Certificate of Appreciation from Baby2Baby. This partnership has made a significant impact, providing essential items such as:

- Diapers
- Baby hygiene products
- Clothing
- Toys
- Food
- Backpacks
- Car seats

Through this partnership, more than 300 children in need have received critical support.

All Peoples is grateful to the L.A. Baby2Baby team for hosting the event and looks forward to continuing this valuable partnership supporting families facing hardship.

BABY2BABY MOTHER'S DAY LUNCHEON

On Tuesday, April 23, our partner Baby2Baby invited 19 mothers and 21 children to celebrate Mother's Day early at The Grove. The families were greeted by Baby2Baby staff who escorted them to a fun Trolley ride around The Grove. The children enjoyed churros and a bubble show!

Attendees received an array of gifts including:

- Diapers
- Toys
- Handbags
- Jewelry
- Flowers
- Beauty products
- Clothes

Moms and their children were also treated to a picnic lunch and their choice of a Sprinkles cupcake or a Crumbl cookie for dessert.

All Peoples extends heartfelt appreciation to Baby2Baby for their partnership and extraordinary generosity toward our mothers and families.

WE CONTINUE SERVING THE SOUTH LOS ANGELES COMMUNITY BECAUSE OF YOU

Your generosity transforms lives in our community. Each contribution allows us to reach families facing resource challenges and create meaningful impact where it is needed most. Without the steadfast support of our foundations, corporations, and individual donors, the vital services All Peoples provides simply would not be possible.

THANK YOU DONORS & SPONSORS

We extend our deepest gratitude to everyone who has invested in our mission this year. Your partnership empowers us to address the pressing needs of the South Los Angeles Vernon-Central Community while staying true to our commitment of delivering Real Solutions, Real Heart, and Real Service every single day.

DONOR SPOTLIGHT

HASHEM AND TINA BADIYAN

All Peoples acknowledges and thanks Hashem and Tina Badiyan for their 2024 donation drive. The Badiyans work with a group of children to encourage civic engagement within the community.

Their generous donations included:

- School supplies for our After-School Tomorrow's Leaders School Program
- Baby diapers
- Adult diapers
- Wipes
- Disinfecting products
- Nonperishable food items for our Supplemental Food Program

These contributions directly support our mission to provide essential resources to families in the South Los Angeles Vernon-Central Community. The Badiyans' commitment to fostering civic engagement among youth while supporting community needs demonstrates the powerful impact that dedicated individuals can have on our collective work.

BECAUSE OF YOU, WE CAN.

Unrestricted donations are the lifeline of our work. They allow us the flexibility to say 'yes' when a family needs emergency food, when a student can't afford textbooks, or when our community faces an unexpected crisis. Thank you for your continued support.

BOARD OF DIRECTORS

All Peoples' 15-member Board of Directors exemplifies dedicated leadership rooted in community service.

A PASSION TO SERVE

Our Board reflects the communities we serve, with 80% of members identifying as BIPOC and 47% as women, bringing diverse expertise in banking, education, human resources, and law. Nearly half of our Board members currently work or live in South Los Angeles, deepening their connection to our community's needs.

Beyond overseeing All Peoples' fiscal health, our Board members demonstrate extraordinary personal commitment through 100% participation in Board Giving and hands-on volunteering at the Center. During recent Board Service Days, members sorted donated goods for our Food Security Department, embodying our shared passion for service and ensuring All Peoples remains deeply rooted in the communities we serve.
